The book is a compilation of five true stories of adults (4 woman & 1 man) trafficked as children. Each story is preceded by an overview of the type of trafficking the story addresses and followed up by a statement from the survivors themselves. The purpose of the book is to provide insights on how American children are taken captive and often coerced to remain in a lifestyle of commercial sexual exploitation. All profits from the book will be distributed to nationally recognized agencies providing either preventive or restorative service for child survivors of Domestic Minor Sex Trafficking.
