

## Articles on Occupational Safety and Health and Patent Infringement

Published in the International Newsletter,

*Wood Machining News, 1984-2015*

*Ryszard Szymani, Ph.D., Editor/Publisher/Technical Consultant*

- *New Table Saw With The Active Response Technology™ REAXX*. WMN, July/August 2015, page 3.
- *Safety Issues in Sawmills in California and Oregon – Part 3*. WMN, March/April 2015, page 2.
- *Dudley Lumber Company Safety Issues and Safety Issues in Sawmills in California. Part 2*. WMN, January/February 2014, page 2.
- *Recognizing Hazards and Combustible Dust Hazards*, WMN, July/August 2014, page 2.
- *Lockout & Tagout: How to Safeguard Your Employees and Avoid Costly Citations and Penalties*, WMN, May/June 2013, page 3.
- *New Saw Blades (SuperSilent) from AKE Knebel GmbH*, WMN, May/June 2013, page 3.
- *Safety Issues in Sawmills in California*, WMN, March/April 2013, page 2
- *Update on Table Saw Safety*, WMN, November/December 2012, page 3.
- *Faulty Switch for a Band Saw Motor in Burns Lake Sawmill Causes Fire Which Kills 2 and Injures 19 Workers*, WMN, July/August 2012, p. 3.
- *Lion Technology Prepares Industry for New HazCom Standard with Monthly Web Seminars*, WMN, March/April 2012, page 3.
- *DeWalt Power Saw with Riving Knife*, WMN, January/February 2012, page 2-3.
- *OSHA 2011 Inspection Plan*, WMN, November/December, 2011, page 1.
- *American Patent Act Reform*, WMN, September/October, 2011, page 1.
- *OSHA to Define New Standards for Handling Industrial and Wood Dust*, WMN, March/April 2011, page 2.
- *Woodworking Safety Issues in Europe*, WMN, January/February, 2011, page 3.
- *Industrial Dust and Wood Dust*, WMN, November/December 2010, page 2.
- *Whirlwind™ – Table Saw Emergency Blade Brake*, WMN, November/December 2010, page 3.
- *U.S. Workers Risking Injury by not Wearing Required Safety Equipment*, WMN, September/October, 2010, page 2.
