

CURRICULUM VITAE
MICHAEL J. FOLEY, M.D.

Radiographic Consultants, LLC
11300 4th Street North, Suite 140
St. Petersburg, Florida 33716-2918
Telephone (727) 578-3818
Fax (727) 578-3819
E mail: mfoley9770@aol.com
Cell (813) 476-9147

Education	Fellowship Northwestern University School of Medicine Fellowship in Nuclear Medicine, CT and Ultrasound	1982 - 1983 Chicago, Illinois
	Residency Northwestern University School of Medicine Residency in Diagnostic Radiology	1979 - 1982 Chicago, Illinois Chief Resident 1981 - 1982
	Internship University of California - San Diego Internship in Internal Medicine	1978 - 1979 San Diego, California
	Medical School Northwestern University Medical School Medical Degree	1974 - 1978 Chicago, Illinois
	Undergraduate Oakland University B.S./Biology & Chemistry	1970 - 1974 Rochester, Michigan

Certifications

American Board of Radiology, Diagnostic Radiology, 1982-present
American Board of Radiology with Special Competence in Nuclear Radiology, 1983-present
American Board of Radiology, Added Qualifications in Vascular & Interventional, 1996-2006

Licensures

Florida	ME0041845-active
California	G39991-inactive
Illinois	036-059576-inactive

Teaching Appointments

University of South Florida School of Medicine Tampa, Florida, Assistant Clinical Professor of Radiology	1983 - 1989
---	-------------

Teaching Appointments - continued

Northwestern University Medical School 1982 - 1983
Chicago, Illinois, Assistant Clinical Professor of Radiology

Appointments and Elected Positions

1975-1978	Student Senate Treasurer, Northwestern University Medical School
1981-1982	Chief Resident of Radiology, Northwestern University
1988 -2002	Chairman of Recruiting Committee, Drs. Sheer, Ahearn & Associates
1988-1989	Vice President - Florida West Coast Radiologic Society
1989-1990	President - Florida West Coast Radiologic Society
1990-1997	Member of Board of Trustees, Drs. Sheer, Ahearn & Associates
1990-1997	Member of Pension & Profit Sharing Committee
1990- 2003	Chairman of Vascular & Interventional Radiology Columbia Brandon Regional Hospital
1990-1996	Vice-chairman Department of Radiology Columbia Brandon Regional Hospital, Brandon, Florida
1990-1997	Radiation Safety Officer and Chairman Radiation Safety Committee Columbia Brandon Regional Hospital, Brandon, Florida
1991-Present	Editorial Board, Hillsborough County Medical Journal Tampa, Florida
1995-1997	Secretary/Treasurer of Medical Staff Columbia Brandon Regional Hospital, Brandon, Florida
1995-2007	Member of Physician Reimbursement Committee Society of Cardiovascular and Interventional Radiology (SCVIR)
1995- 2002	Executive Committee Brandon Regional Hospital, Brandon, FL
1996- 2002	Chairman, Department of Radiology Brandon Regional Hospital, Brandon, FL
1999-2007	Alternate Councilor for the American College of Radiology, State of Florida

Practice Association

Drs. Sheer, Ahearn & Associates 1983 - 2003
9204 King Palm Drive, Tampa, Florida

Hospital Affiliations

Brandon Regional Hospital 1983 - 2003
119 Oakfield Drive, Brandon, Florida 33511
1983 - 2003

University Community Hospital 1983 - 2002
3100 E. Fletcher Avenue, Tampa, Florida 33613

University Community Hospital @ Carrollwood 1993 - 2002
7171 North Dale Mabry Highway, Tampa, Florida 33614

Manatee Memorial Hospital 1985 - 2003
206 Second Street East, Bradenton, Florida 34208

Office / Outpatient Imaging Center Affiliations

Lutz Radiology March 2003 – March 2007
1916 Highland Oaks Blvd., Lutz, Florida 33559

Bloomingtondale Radiology Corp. August 2003 – July 2008
3350 Bell Shoals Road, Brandon, Florida 33511

Tower Imaging, Inc. d/b/a Bloomingtondale Radiology Ctr. July 2008 – December 2008
3350 Bell Shoals Road, Brandon, Florida 33511

New Tampa Imaging Center January 2009 – October 2009
14302 Bruce B. Downs Blvd.
Tampa, Florida 33613

Rose Radiology October 2009 thru present
5107 N. Armenia Avenue
Tampa, Florida 33603

West Coast Radiology January 2010 thru present
Clearwater, Florida

Professional Societies

American College of Radiology
American Roentgen Ray Society
Florida Medical Association
Florida Radiological Society
Hillsborough County Medical Association
North American Society of Phlebology

Radiological Society of North America
Florida West Coast Radiological Society, President 1989-1990
Society of Cardiovascular and Interventional Radiology

Publications

Research Experience

1. The Estrogenic repression of alpha 2 u globulin synthesis in hepatocyte cultures. Oakland University. Rochester, Michigan. 1971 - 1974
2. The aortic homograft: Debaquey dacron graft. Fitzsimmons Institute. Pontiac, Michigan. 1973
3. Eye cataracts: The mechanisms of lens opacification. Woods Hole Marine Biological Laboratory. Cape Cod, Massachusetts. Summer 1973 & 1974.
4. Colloidal Indium-111 labeled leukocytes. Department of Nuclear Medicine, Northwestern University. Chicago, Illinois. 1982 - 1983.

Research Experience - continued

5. Tumor detection using monoclonal labeled antibodies. Department of Nuclear Medicine. Northwestern University. Chicago, Illinois. 1982 - 1983.
6. Telephone transmission of Nuclear Medicine Images. Department of Nuclear Medicine, Northwestern University. Chicago, Illinois. 1982 - 1983.

Scientific Exhibits

1. Foley, M.J., Calenoff, L., Hendrix, R.W. The male urethra in spinal cord injury patients. Presented at the Sixty-Sixth Scientific Assembly and Annual Meeting of the Radiological Society of North America, Dallas, Texas. November 16-21, 1980.
2. Foley, M.J., Ghahremani, G.G., Rogers, L.F. The gastrograffin fallacy: Which contrast media for upper gastrointestinal perforations or tears. Presented at the Sixty-Sixth Scientific Assembly and Annual Meeting of the Radiological Society of North America, Dallas, Texas. November 16-21, 1980.
3. Foley, M.J., Calenoff, L., Hendrix, R.W. The male urethra in spinal cord injury patients. Presented at the Eighty-First Annual Meeting and Scientific Exhibit of the American Roentgen Ray Society, San Francisco, California. May 23-27, 1981.
1. Foley M.J., Shkolnik, A.S., Devine, S. New applications of real-time ultrasound in pediatrics. Presented at the Sixty-Seventh Annual Meeting and Scientific Assembly of the Radiological Society of North America, Chicago, Illinois. November 16-21, 1981.
5. Foley, M.J., Calenoff, L., Lee, C., Hendrix, R.W., Cerullo, L.J. Cervical spine fusion. Presented at the Sixty-Seventh Annual Meeting and Scientific Assembly of the Radiological Society of North America, Chicago, Illinois. November 16-21, 1981.

6. Foley, M.J., Calenoff, L., Hendrix, R.W. Ectopic bone in brain or spinal cord injury patients. Presented at the Sixty-Seventh Annual Meeting and Scientific Assembly of the Radiological Society of North America, Chicago, Illinois. November 16-21, 1981.
7. Foley, M.J., Calenoff, L., Lee, C., Hendrix, R.W., Cerullo, L.J. Cervical spine fusion. Presented at the Eighty-Second Annual Meeting and Scientific Exhibit of the American Roentgen Ray Society, New Orleans, Louisiana. May, 1982.
8. Foley, M.J., Calenoff, L., Hendrix, R.W., Schafer, M.F. Radiology of thoracic and lumbar spine fusion. Presented at the Sixty-Eighth Scientific Assembly and Annual Meeting of the Radiological Society of North America, Chicago, Illinois. November 28 - December 3, 1982.
9. Foley, M.J., Calenoff, L., Hendrix, R.W., Schafer, M.F. Radiology of thoracic and lumbar spine fusion. Presented at the Eighty-Third Annual Meeting and Scientific Exhibit at the American Roentgen Ray Society, Atlanta, Georgia. April 18-22, 1983.

Scientific Presentations

1. Foley, M.J. Ectopic ureterocele: Radiologic diagnosis. Presented at Radiology Grand Rounds, Department of Radiology, Northwestern University Medical School, Chicago, Illinois, July 1980.
2. Foley, M.J. Fractures of the orbit: Blow-out fracture. Presented at Radiology Grand Rounds, Department of Radiology, Northwestern University Medical School, Chicago, Illinois, July 1980.
3. Gharemani, G.G., Foley, M.J., Rogers, L.F. The Gastrografin Fallacy: Which contrast media for upper gastrointestinal perforations and tears. Presented at the Sixty-Sixth Scientific Assembly and Annual Meeting of the Radiological Society of North America, Dallas, Texas, November 16-21, 1980.
4. Calenoff, L., Foley, M.J., Hendrix, R.W. The male urethra in spinal cord injury patients. Presented at the Sixty-Sixth Scientific Assembly and Annual Meeting of the Radiological Society of North America, Dallas, Texas, November 16-21, 1980.
5. Foley, M.J. Double contrast gastrointestinal radiology. Presented at Radiology Grand Rounds, Department of Radiology, Northwestern University Medical School, Chicago, Illinois, December 1980.
6. Foley, M.J. Cervical spine fusions. Presented at Radiology Grand Rounds, Department of Radiology, Northwestern University Medical School, Chicago, Illinois, February 1981.
7. Foley, M.J. Liver-spleen scanning. Lecture - Department of Nuclear Medicine, Northwestern University Medical School, Chicago, Illinois, February 1981.
8. Calenoff, L., Foley, M.J., Hendrix, R.W. The radiological evaluation of cervical spine fusions. Presented at the Eighty-First Annual Meeting of the American Roentgen Ray Society, San Francisco, California, March 23-27, 1981.
9. Hendrix, R.W., Foley, M.J., Calenoff, L. The male urethra in spinal cord injury patients. Presented at the

American Spinal Injury Association, New Orleans, Louisiana, March 27, 1981.

10. Foley, M.J., Spies, S.M. Considerations in evaluation of left ventricular ejection fraction by gated pool studies. Presented at the Twenty-Ninth Annual Meeting of the Association of University Radiologists, New Orleans, Louisiana, April 21-25, 1981.
11. Calenoff, L., Foley, M.J., Hendrix, R.W. The male urethra in spinal cord injury patients. Presented at the International Congress of Radiology. Brussels, Belgium, June 23, 1981.
12. Foley, M.J. Emergency Radiology. Lecture to medical students, Northwestern University Medical School, Chicago, Illinois, November 5, 1981.
13. Calenoff, L., Foley, M.J., Hendrix, R.W. The male urethra in spinal cord injury patients. Presented at the Fifty-Eighth Annual Session of the American Congress of Rehabilitation Medicine, San Diego, California, November 1-6, 1981.
14. Foley, M.J. Wilm's tumor with extension into IVC and right atrium: Diagnosis by ultrasound. Presented at Radiology Grand Rounds, Department of Radiology, Northwestern University Medical School, Chicago, Illinois, January 1983.
15. Foley, M.J. Congenital heart disease: Radiologic diagnosis. Presented at Radiology Grand Rounds, Department of Radiology, Northwestern University Medical School, Chicago, Illinois, January 1982.
16. Foley, M.J. Diagnosis of lower G.I. bleeding using nuclear medicine techniques. Presented at Imaging Conference, Department of Radiology and Nuclear Medicine, Northwestern University Medical School, Chicago, Illinois, July 1982.
17. Foley, M.J. Gated equilibrium ventricular studies. Presented at Surgery and Cardiothoracic Surgery Grand Rounds. Department of Nuclear Medicine, Northwestern University Medical School, Chicago, Illinois, August 1982.
18. Shkolnik, A.S., Foley, M.J. New applications of real-time ultrasound in pediatrics. Presented at AIUM meeting. Denver, Colorado, October 4-8, 1982.
19. Calenoff, L., Foley, M.J., Hendrix, R.W., Schafer, M.F. Radiology of thoracic and lumbar spine fusion. Presented at the Sixth-Eighth Scientific Assembly and Annual Meeting of the Radiological Society of North America, Chicago, Illinois, November 28 - December 3, 1982.
20. Wiot, J.F., Keats, T.E., Jacobson, H.G., Christie, J.H., Meaney, T.F., Foley, M.J., Nelson, S.W., Riemenschneider, P.A., Brady, L.W., Zabell, A. Activities of the American Board of Radiology: An update. How a senior resident views the future of Diagnostic Radiology. Presented at the Sixty-eighth Scientific Assembly and Annual Meeting of the Radiological Society of North America, Chicago, Illinois, November 28 - December 3, 1982.
21. Foley, M.J., Spies, S.M., Fisher, M.R., Spies, W.G., Shapiro, D. Telephone Transmission of Nuclear Medicine Images. Presented at the 31st Annual Meeting of the Association of University Radiologists, Mobile, Alabama, March 22-25, 1983.

22. Foley, M.J. In-111 labeled leukocytes. Presented at Nuclear Medicine Grand Rounds, Northwestern University Medical School, Chicago, Illinois, April 15, 1983.
23. Foley, M.J., Spies, W.G. Hepatobiliary Scans: Techniques and Diagnosis. Presented at Nuclear Medicine/Surgical Grand Rounds, Northwestern University Medical School. Chicago, Illinois, April 20, 1983.
24. Foley, M.J. Liver-Spleen Scan vs. Ultrasound vs. CT. University Community Hospital Noon Conference. July 15, 1983.
25. Foley, M.J. Hepatobiliary Scanning in the diagnosis of acute cholecystitis. University Community Hospital Lecture to Radiology Residents, USF. August 2, 1983.
26. Foley, M.J. Myocardial Infarct Scans. University Community Hospital Lecture to USF Radiology Residents. August 16, 1983.
27. Foley, M.J. Gated Blood Pool Imaging. Analysis of LV wall contraction. University Community Hospital Lecture to USF Radiology Residents. September 6, 1983.
28. Foley, M.J. Gallium scans and In-111 Scans in Detection of Abscess. University Community Hospital Lecture to USF Radiology Residents. October 11, 1983.
29. Foley, M.J. Pulmonary Angiography and Lung Scans in detection of pulmonary emboli. University Community Hospital Noon Medical Conference. January 3, 1984.
30. Foley, M.J. Digital Angiography: Its benefits and limitations. University Community Hospital Noon Medical Conference. February 15, 1984.
31. Foley, M.J. Carotid Ultrasound as a screening procedure. University Community Hospital Noon Conference. February 22, 1984.
32. Foley, M.J. Pelvic Ultrasound: Review ectopic pregnancy, PID, adnexal pathology. Humana Women's Hospital Noon Conference.
33. Foley, M.J. CT of the Brain and Abdomen. Its use in trauma. Humana Hospital Brandon E.R. Conference. May 16, 1984.
34. Foley, M.J. Percutaneous Extraction of Renal calculi and ultrasonic lithotripsy. Lake Buena Vista - Humana Hospital Brandon Medical Conference. November 17, 1984.
35. Foley, M.J. Comparison of Film-screen vs xeromammography. Humana Hospital Brandon Medical Conference - Orlando, Florida. January 12, 1985.
36. Foley, M.J. Duplex Carotid Ultrasound in Asymptomatic Patients. University Community Hospital Noon Medical Conference. February 19, 1985.
37. Foley, M.J. Dual Photon Bone Densitometry: Its use in the Diagnosis of osteoporosis. Women's Health Lecture Series. University Community Hospital. March 25, 1985.

38. Foley, M.J. Mammography in Clinical Practice: Pitfalls in Diagnosis. Women's Hospital in OB/GYN Grand Rounds. May 23, 1985.
39. Foley, M.J. The Role of CT in the staging of Lung Cancer. Humana Hospital Brandon - Pulmonary Conference. July 10, 1985
40. Foley, M.J. Sonographic Evaluation of Neonatal Intracranial Hemorrhage. Humana Hospital Brandon - Radiology in-service. August 15, 1985.
41. Foley, M.J. Percutaneous Nephrostomy and stenting techniques in the GU tract. Humana Hospital Brandon - Medical/Surgical Conference. November 20, 1985.
42. Foley, M.J. Osteoporosis and Dual Photon Bone Densitometry. University Community Hospital - Women's Health Lecture Series. February 13, 1986.
43. Foley, M.J. Nuclear Cardiology: SPECT. Manatee Memorial Hospital - Noon Physicians Conference. May 15, 1986.
44. Foley, M.J. Percutaneous Gastrostomy. University Community Hospital. August 10, 1986.
45. Foley, M.J. Percutaneous Transluminal Angioplasty: Past, Present and Future. Humana Hospital Brandon. October 18, 1986.
46. Foley, M.J. Microcalcifications & Detection of early Breast Cancer. Humana Women's Hospital. December 12, 1986.
47. Foley, M.J. Intra-arterial Fibrinolysis: Long Term Results. University Community Hospital. January 10, 1987.
48. Foley, M.J. Pulmonary Angiography and Pulmonary embolism. Manatee Memorial Hospital. February 20, 1987.
49. Foley, M.J. Lower GI Bleeding: Nuclear Medicine and Angiographic Evaluation. University Community Hospital. April 14, 1987.
50. Foley, M.J. Abdominal Abscess Drainage with CT and US guidance. Humana Hospital Brandon. May 20, 1987.
51. Foley, M.J. Breast Nodule localization with hook-wire technique. Humana Woman's Hospital. June 14, 1987.
52. Foley, M.J. Bile Duct Stones: Percutaneous Transhepatic Removal. Humana Hospital Brandon. August 8, 1987.
53. Foley, M.J. Celiac Plexus Block. University Community Hospital. October 20, 1987.
54. Foley, M.J. Selective catheterization and Imaging of the Fallopian Tubes. Humana Women's Hospital.

January 10, 1988.

55. Foley, M.J. CT, US, Nuclear Medicine and MRI: Which to do when. Florida Medical Association, Miami, Florida. February 16, 1988.
56. Foley, M.J. MRI- 1988: An Update to Physicians Noon Conference. Humana Hospital Brandon. June 23, 1988.
57. Foley, M.J. MRI of the Musculoskeletal System. University Community Hospital. June 25, 1988.
58. Foley, M.J. MRI - Cervical & Lumbar Spine. Carrollwood Radiology and BreastCare Center. July 16, 1988.
59. Foley, M.J. Angioplasty of occluded femoral and iliac arteries. Humana Hospital Brandon. August 27, 1988.
60. Foley, M.J. Atherectomy of the femoral artery using the Simpson Atherectomy Catheter. University Community Hospital. September 5, 1988.
61. Foley, M.J. Lysis of aarterial clot using Urokinase. Human Hospital Brandon. October 11, 1988.
62. Foley, M.J. Mammography Update: Detection of Minimal Breast Cancer. Humana Hospital Brandon. November 21, 1988.
63. Foley, M.J. CT guided abscess drainage. Humana Hospital Brandon. December 10, 1988.
64. Foley, M.J. Percutaneous placement of the Bird's Nest filter. University Community Hospital. January 20, 1989.
65. Foley, M.J. MRI of Brain tumors. Humana Hospital Brandon. January 29, 1989.
66. Foley, M.J. MRI of AVM and aneurysms. Humana Hospital Brandon. March 20, 1989.
