1985 Master of Business Administration (**MBA**)

2002 Doctor of Business Administration (**DBA**)

### **Self-Employment**

2015 - present **Lawsuit Coach**  
Mesa, Arizona  
Founder and Owner  
**Trial Attorney Coach and Consultant**

**I work with Product Liability Trial Attorneys who want to avoid the pains of losing contingency fee cases.** I help them discover how to choose, craft and conduct winning cases while identifying and avoiding losing cases. Author of the book **“7 Keys to Winning More Cases for More Money!”** available as a free download at [www.LawsuitCoach.com](http://www.LawsuitCoach.com). Author and presenter of State Bar of Arizona CLE video **“How to Avoid Losing Cases and Get Winners.”**

2000 - present **Consultant and Expert Witness**  
Mesa, Arizona

Personal Injury Consultant and Expert Witness (testifying and non-testifying) for a wide variety of Consumer and Industrial Products including appliances, automotive products ranging from motorcycles to motorhomes, firearms, household products, sporting goods, valves, and watercraft. Certified Fire Investigator. Past clientele includes consulting firms, individuals, law firms and US Consumer Product Safety Commission.

1998 - present **GTS Global Turbine Specialists**  
Mesa, Arizona  
Founder and Owner  
Consultant and Expert Witness in the Gas Turbine Engine Industry

Past clientele includes Honeywell (AlliedSignal) Aerospace Academy, FAA-authorized aircraft engine repair facilities, and law firms. **Leading expert in causes of aircraft cabin air contamination.**

1997 - present    Personal Bridges to Teamwork  
Mesa, Arizona  
Co-founder and Owner  
Consultant and Trainer

Designed and developed workshops in the areas of Gender Communication, Team Building and Communication, Continuous Improvement, Customer Communication, Change Management, and Conflict Management.

1979 - 1992      Accurate Firearms Repair  
Phoenix, Arizona  
Owner  
Gunsmith

Brought a Mechanical Engineer's insight to the practice of firearms repair and modifications. Specialized in the troubleshooting, repair and enhancement of firearms. Developed an international reputation for achieving innovations and superior quality and reliability in modifications of rifles and handguns used for competition and hunting.

## **Employment**

1968 - 1998      AlliedSignal Aerospace (Honeywell)  
Phoenix, Arizona  
Multiple Engineering & Engineering Management positions

Thirty years in Engineering Project Management with experience in gas turbine engine and system design, development, certification, manufacture, installation, maintenance, testing, troubleshooting, forensic investigation, and customer support. Represented AlliedSignal in relations with aircraft and ground support equipment manufacturers, airlines, US and foreign military customers, maintenance and repair organizations, and US and foreign regulating authorities, e.g., Federal Aviation Administration. Presented papers, led conferences and workshops, and performed training in the US and abroad.

Chaired multi-disciplinary team responsible for reporting the effects of gas turbine engine emissions on air quality.

1967 - 1968      Continental Aviation & Engineering  
Detroit, Michigan  
Diesel engine Development & Test Engineer

### **Special Recognition - August 1997**

Honored as a “Contributor to Aviation History” by Don Engen, Director of the Smithsonian National Air & Space Museum, during a ceremony at the museum in Washington, DC.
